About Moose Sport™

Moose Sport provides indoor and outdoor athletic flooring and surfacing solutions, over 25 years of extensive product knowledge and prompt, professional customer service.

It is the mission of Moose Sport to be a consultative partner in the perfect selection of your athletic surface.

Moose Sport's superior athletic flooring products are ideal for institutional and recreational installations where an elegant, durable, responsive and safe flooring system is desired.

Moose Sport's wide range of products are well suited for intense, rugged use resulting from heavy traffic and repeated impact.

Schools, YMCA's, churches, fitness clubs, playgrounds, home gyms, etc. are just a few examples of facilities that benefit from Moose Sport's expansive line of athletic surfaces.
